PURPOSE

Thank you for your interest in the City of Claremont's Public Art Committee. The Committee was established by the City Council and, pursuant to Section 16.148.100 of the Claremont Municipal Code, is responsible for upholding the Public Art Master Plan, ensuring that the City's public art policies and procedures are followed, and supporting the development and stewardship of the City's public art collection and other public art on municipal and private property. The Committee shall be comprised of seven members, including individuals with broad visual arts expertise to make recommendations to the City Council, review artists, and reinforce the City's commitment to artistic excellence. The Committee is set to meet monthly on the second Monday in Council Chambers at 7 p.m.

CONFLICTS OF INTEREST

Public Art Committee members are subject to the City's Conflict of Interest Code. The Code requires Committee members to avoid participating in, discussing, or taking action on items for which conflicts of interest may exist. Actions that members may be required to take to comply with this Code during their tenure on the Committee include, but are not limited to:

- Withdrawal from participating in any Committee discussion or vote involving a competition, commission, project or program for which any monetary gain or for which any business or familial relationship would make it difficult to render an objective and impartial decision;
- Ineligibility for any City-related public art competition, commission, project, or program; and
- Disclosure of any real or perceived conflicts of interest.
