Where it Goes When it
Doesn't Go in the Containers

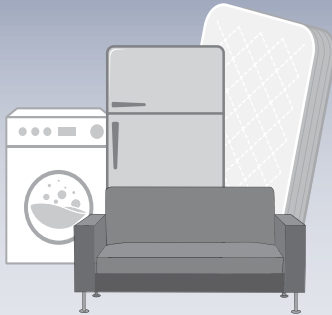

Special Item Pick-Up

Schedule a Pick-Up at Your Home

Please call (909) 399-5431
for current fees and information.

Bulk Items:

Large items such as
appliances, furniture,
mattresses, etc.
Bagged, boxed, or
bundled materials
are not accepted.

Used Motor Oil & Filters:

Complimentary, curbside used motor
oil and filter collection is available by
appointment. Recycling used motor oil
conserves resources and protects our
soil, groundwater, streams, and rivers.

Electronic Waste:

Curbside e-waste collection
is available by appointment.

Electronic waste includes
microwaves, computers,
monitors, keyboards,
televisions, dvd players,
hard drives, printers,
cell phones, etc.

Household Hazardous Waste

Los Angeles County hosts Household Hazardous
Waste and E-Waste Roundups throughout the year.
Call 1 (888) CLEAN LA or visit www.lacsd.org/hhw
for more information.

Valet Service

Valet service is available for residents that
require assistance moving their containers to
and from the curb for service. For current fees
and information call (909) 399-5431.

Bin Rentals

Bin, rolloff, and lowboy rentals are available
by appointment. Please call the (909) 399-5431
for current fees and rental information.

Sharps (used syringes)

Complimentary sharps disposal is available
to Claremont Residents, Monday through
Friday 8 a.m. – 5 p.m. Sharps are accepted in
approved, sealed containers in the City Yard lobby,
1616 Monte Vista Avenue.

Recycling Center

A drop-off Recycling Center is located at the
City Yard, 1616 Monte Vista Avenue. The center
is located in the driveway south of the administrative
building. No bulk items or trash are accepted, call
(909) 399-5431 for hours and information.

*The City of Claremont provides recycling
programs to help reduce the impact of meth-
ane gas from landfills (the major contributor
of methane emissions in California). Proper
separation of your discarded materials is a key
element of state mandates to combat climate
change. SB 1383 mandates that all customers
recycle organic waste (food and green waste).*
