# CLAREMONT POLICE DEPARTMENT TRAINING

## CONDUCTED ELECTRICAL WEAPONS

### GOAL:

To provide the basic operational theory and practical training to reasonably safely and effectively operate the TASER X26P Conducted Electrical Weapon (CEW)

### OBJECTIVES:

- Explain the Technology associated with the X26P
- Describe the nomenclature and operation of the X26P and TASER cartridge
- Explain proper care and troubleshooting techniques
- Explain CEW smart use and tactical considerations
- Explain proper probe placement and aiming requirements
- Demonstrate safe handling of CEWs

### TRAINING:

- Demonstrate through manipulation and deployment the safe handling and operation of CEWs
- Practical situational scenarios
- Successfully complete written test
